

Deleting Revenue

To remove a revenue entry, navigate to the Revenue Tab. Then select 'View' on the relevant Revenue entry. This will then bring up a pop up. A list of all of the revenue entries for that particular day will appear. These can be individually deleted as and when it is required.

Daily Revenue Detail

×

| Outlet | Reference | Revenue Exc VAT | Revenue Inc VAT | Action |
|----------|-----------|-----------------|-----------------|--------|
| Main Bar | | 100.00 | 120.00 | Delete |
