

What is a Stock Audit

A Stock Audit is a way to ensure all stock movements are being recorded correctly and all stock used is accounted for. This is also a way to ensure that all deliveries have been processed correctly.

stock

/stɒk/

noun

the goods or merchandise kept on the premises of a shop or warehouse and available for sale or distribution.

"the store has a very low turnover of stock"

audit

/ˈɔːdɪt/

noun

noun: audit; plural noun: audits

an official inspection of an organization's accounts, typically by an independent body
